Please join us for any part of the service
that you can.

The main portion of the Celebration of Anna's Life will be devoted to friends, family, teachers, coaches, everyone sharing anything they would like to share about Anna - memories, reflections, a story, a poem, a song, anything.

It would be helpful, but not at all necessary, to let us know if you plan to participate in this part of the service here:

You can decide to share the day of the service, too.

If you can't be there but would like us to read something for you, just let us know.

Dress is informal and the grounds are rustic.

Please wear clothes that are comfortable for you.

Anna loved flannel, comfy sports team hoodies, sneakers and hiking boots – it's that kind of service.

Flowers are so lovely, but even more meaningful for us is the permanence of photos. We have seen so many parts of Anna and their life through photos people posted on the Ever Loved website. We would love more photos - annotated or not - if you have them.

Masks are optional - we ask people to do what they are comfortable with, but please consider the vulnerable folks who will be in attendance in your decision.

This QR code will link you to a folder where you can upload photographs to share with Anna's family.
