“Life is either a daring  
adventure, or nothing.”  
-Helen Keller

“Someone once told me that time is a  
predator that stalks us all our lives.

I rather believe that time is a companion  
who goes with us on the journey, and  
reminds us to cherish every moment,  
because they'll never come again.”  
-Jean-Luc Picard

“Imagination is more  
important than knowledge.”  
-Albert Einstein
