WHEN SOMEONE YOU LOVE
BECOMES A MEMORY, HER

“You-You alone will have stars
as no one else has them...
In one of the stars I shall be living.
In one of them I shall be laughing.
And so it will be as if all the stars
will be laughing when you
look at the sky at night.
You, only you, will have stars that can laugh!
And when your sorrow is
comforted (time soothes all sorrows)
you will be content that you have known me...
You will always be my friend.
You will want to laugh with me.
And you will sometimes
open your window, so, for that pleasure...
It will be as if, in place of the stars,
I had given you a great number of little bells
that knew how to laugh.”

Antoine de Saint-Exupéry, The Little Prince
