You gave no one a last farewell, nor did we say goodbye.
You were gone before we knew it, and only God knows why.
A million times we will miss you, a million times we will cry.
In our hearts you hold a place, no one else can ever fill.
It broke our hearts to lose you, but you didn't go alone,
for part of us went with you, the day God took you home.
We will see you again one day, we know in a better place.
We thank God he made you our son while you were here on Earth.
But until then there is peace knowing you are safe in the arms of God.
