

WELCOME

WE'RE GLAD YOU'RE HERE
AS PART OF MIKE'S
COMMUNITY

LynLake Brewery has been one of Mike's favorite places to grab a burger and beer with family and we're happy to be able to host you here.

We have curated a playlist of music that is a mix of Mike's favorites and songs that his friends & family remember him by.

We will listen to a few songs played live by some of Mike's favorite musicians and friends.

We look forward to sharing stories and connecting with each other. Mike would say "this is the coolest funeral I've ever been to".

With love,
Alex, Matt, Emily, Alexa
and Ellie
