“One night I had a dream...

I dreamed I was walking along the beach with the Lord, and
Across the sky flashed scenes from my life. For each scene I noticed
two sets of footprints in the sand; One belonged to me, and the other
to the Lord. When the last scene of my life flashed before us, I looked
back at the footprints in the sand. I noticed that many times along the
path of my life, There was only one set of footprints.

I also noticed that it happened at the very lowest
and saddest times in my life

This really bothered me, and I questioned the Lord about it.

“Lord, you said that once I decided to follow you,
You would walk with me all the way; But I have noticed that during
the
most troublesome times in my life,
There is only one set of footprints.
I don't understand why in times when I
needed you the most, you should leave me.

The Lord replied, “My precious, precious
child. I love you, and I would never,
never leave you during your times of
trial and suffering.
When you saw only one set of footprints,
It was then that I carried you.”

Jeanne adored family, friends, animals and plants. Over the years, she rescued numerous amounts of fur babies and raised plants by seeds. The strength of her mind and soul was only matched by her determination and drive. Once Jeanne was set in motion, you better step aside if in the way.

If described as having a green thumb means you are "good" with plants, then she could only be described as "green blooded." Jeanne was kindhearted and good natured to a fault. She would help anyone, anyway she could.... but if crossed, I fear for you!

We are asking the community to uphold her love of family, friends, animals and plants by donating to her memorial fund in lieu of flowers. The funds will be split to create a garden bench in her memory and RAL (Richmond Animal League) in Chesterfield, VA.
