In My Life

*There are places I remember
All my life, though some have changed
Some forever not for better
Some have gone and some remain
All these places have their moments
With lovers and friends, I still can recall
Some are dead and some are living
In my life, I've loved them all
But of all these friends and lovers
There is no one compares with you
And these memories lose their meaning
When I think of love as something new
Though I know I'll never lose affection
For people and things that went before
I know I'll often stop and think about them
In my life, I love you more
Though I know I'll never lose affection
For people and things that went before
I know I'll often stop and think about them
In my life, I love you more
In my life, I love you more*

Blackbird

*Blackbird singing in the dead of night
Take these broken wings and learn to fly
All your life
You were only waiting for this moment to arise
Blackbird singing in the dead of night
Take these sunken eyes and learn to see
All your life
You were only waiting for this moment to be free
Blackbird fly
Blackbird fly
Into the light of the dark black night
Blackbird fly
Blackbird fly
Into the light of the dark black night
Blackbird singing in the dead of night
Take these broken wings and learn to fly
All your life*

*You were only waiting for this moment to arise
You were only waiting for this moment to arise
You were only waiting for this moment to arise*

Here Comes the Sun

*Here comes the sun doo-doo-doo-doo-doo,
here comes the sun and I say it's alright.
Little darlin' it's been a long cold lonely winter,
little darlin' it feels like years since it's been here.
Here comes the sun doo-doo-doo-doo-doo,
here comes the sun and I say it's alright.
Little darlin' the smiles returning to the faces,
little darlin' it seems like years since it's been here.
Here comes the sun doo-doo-doo-doo-doo,
here comes the sun and I say it's alright.
Sun sun sun here it comes (4x)
Little darlin' I feel that ice is slowly melting,
little darlin' it seems like years since it's been clear.
Here comes the sun doo-doo-doo-doo-doo,
here comes the sun and I say it's alright.
Sun sun sun here it comes*
