## CLOSING AND FAREWELL

Gilbert Boyd (Son)

A heartfelt thank you to our dear friends Stephen and George, Rozie and Mitty—you were an incredible support in helping us prepare for this moment.

We are deeply grateful to Nicky and the entire crew at Avalon House for the compassion and care they gave Margaret during her final three years. She was truly loved.

Thank you to Menda, Byron, and Maria for always being a meaningful and consistent part of Margaret's life. And a special thank you to Deborah for organizing Margaret's burial.
