In Loving Memory

Cheryl "Sherry" Ann Lindner was born in Vancouver, British Columbia on January 30th, 1954, the eldest daughter of (late) William "Bill" & (late) Erma Moyseyuk (Harrison) and sister to (late) Rodney "Rod" Moyseyuk (Yvonne).

She was the foundation of the Lindner family, the glue that kept us all together.

Her home was full of laughter and happiness, with family and friends. She always had a willing ear and provided the support needed to get through the difficult times. She was the pillar of her community. She was the type of person who would drop everything to help those who were in need. It did not matter who you were, or where you came from, she was always there with a welcoming smile. Over the years she has housed many of us including friends and family.

She provided the support that was needed to stand on our own.

Sherry married Daniel "Dan" Lindner on March 17th 1973. They settled in North Vancouver and raised their four children. She was the beloved mother to Ryan (Sheri), Shaun (Ashley), Jason (Louis) and Sheldon (Caryn). Loving Grandmother to Brianna, Austin, Kiara, Emma, Anika, Luca, Colby and Lily. Aunt to Carleigh and Joey. She worked for Service Canada in the unemployment division and Fraud investigations. She retired in 2009 and this gave her the opportunity to spend more time on her first passion, her children and grandchildren.

She spent the majority of her free time attending as many sports games as she could. She was always on the sidelines rooting her family on. She was so proud of each member of her family; it showed and was felt by all of us.

She loved to talk about the many accomplishments her children and grandchildren had achieved. From hockey, baseball, soccer, the family artist and any academic or career achievements.

"Forever in our hearts - forever loved by all"

With Open Arms

There are very few moments in time when you get the opportunity to meet someone as special as you.

You were the central, integral part of our family and you will be sorely missed.

With open arms you accepted your family, extended family, and community into your heart.

The sacrifices you made with ease, and grace with no expectations of repayment.

You affected people with your smile, your willingness to listen, and your uplifting wisdom.

You drew people to you as if you were the sun, and the gravity shifted us even closer.

The friendships you created and nurtured will be forever remembered and embraced.

Your courage to meet challenges head on and a spine of steel to fight for your loved ones will be forever imprinted on our hearts.

Rest in peace the mother of my heart.

May your next journey be peaceful and pain free.

Soar high and free with the loved ones who passed before you.

Until we meet again. Love Always your Family
