Memory Cards

Instead of a traditional guest book, we invite you to share your favorite memory of Pat. Feel free to talk about your story with others at your table, and then place your card in the box on the memory table.

Seeds

Pat had a deep love for plants and flowers, especially the beautiful garden around her pool. To honor her passion, we have provided seed packets for you to take home. Plant them next spring, and as they bloom, let them remind you of all the wonderful memories you shared with Pat.

Mementos

We have set aside some of Pat's personal belongings for her family and friends. Please feel free to choose a keepsake to take home with you, as a reminder of the wonderful moments you shared with her. Additionally, if you admired any of the centerpieces, you are welcome to take one home as well.
