## *Celebrating The Life of Bonnie Price*

Bonnie Olieva Price was born in Okemah Oklahoma on November 17th, 1939. Bonnie lived & worked the majority of her life in Oklahoma City, where she graduated from Northeast High School. She was a devoted, stay-at-home mom for several years before beginning her career in medical transcription.

While working for the Health Department, she fell in love with & married the love of her life, Curtis E. Price. Though Curtis passed away after only 15 years of marriage, their union produced 3 children & many grandchildren & great grandchildren. She retired & spent her last years in Texas near her sister Clara & her brother Bud.

She loved her family & friends dearly, and loved cooking for them, making crafts for them, playing Solitaire, and reading mystery novels.

She passed away peacefully at the age of 84 with loved ones by her side on September 23rd, 2024.

May her resilience & enduring grace inspire us all. She was a kind & thoughtful woman who adored each & every member of her large extended family.

She is preceded in death by her husband, Curtis, her sister, Rose, her grandson, Lance, & her parents Walter & Maggie Lane. She is survived by her sister Clara, brother Bud; three children, Scott, Wende, and Derek; 11 grandchildren; 10 great-grandchildren.

She will be greatly missed & was so much to so many souls during her time with us in this life. She was the best Daughter, Sister, Auntie, Mom, Grandmother, Great Grandmother, & friend anyone could ask for. Though she has dropped her earthly body to be with her Lord in Heaven, her life here was a bright light that will be carried on for generations to come.

***“What we have once enjoyed we can never lose.  
All that we love deeply becomes a part of us.” ~Helen Keller***

**LIFE WELL-LIVED**

A life well-lived is a precious gift  
Of hope and strength and grace  
From someone who has made our world  
A brighter, better place.

It's filled with moments sweet and sad,  
With smiles and sometimes tears,  
With friendships formed and good times shared,  
And laughter through the years.

A life well-lived is a legacy  
Of joy and pride and pleasure,  
A living, lasting memory  
Our grateful hearts will treasure.

**LIFE IS BUT A STOPPING PLACE**

Life is but a stopping place, a pause in what's to be,  
A resting place along the road  
To sweet eternity.

We all have different journeys,  
Different paths along the way.  
We all were meant to learn some things  
But never meant to stay.  
Our destination is a place  
Far greater than we know.

**CELEBRATE MY LIFE**

Remember me with love and joy.  
Let gratitude fill your heart,  
Thankful for the time we had,  
Gone...yet not apart.

If we measured life in moments,  
Not in months or years,  
I lived a hundred lifetimes,  
Loved by all who hold me dear.  
I hope you'll find your smile,  
And generously speak my name.  
Share stories and my heart,  
Your love for life unchanged.  
Celebrate the life I lived.

I will be watching from above.  
I am always with you  
Sending you my light and love.
