Reception	This is a casual family style get together like our dad would have wanted, share stories and hang out with Jay's favorite people.

Remembering Dad

Our dad was one of a kind. Funny, prankster, smart, sweet, warm. He was everyone's favorite uncle and the most loved and loveable father we could have ever imagined having. Dad would prefer laughing and connecting with warm people to just about anything. Come share special memories with us as we celebrate our dad, husband, uncle and friend.
