

Thank you!

To all of our family and friends,

We are deeply grateful for the love, support, and kindness you have shown us throughout Piper's life and during this incredibly difficult time.

Thank you for lifting us up in so many ways—through your prayers, visits, thoughtful messages, generous gifts, and, most of all, your presence when we needed it most.

Piper was surrounded by love every step of the way, and we find great comfort in knowing how many lives she touched with her light, strength, and joy.

Thank you for being here today to celebrate her life with us. We know each of you made a journey to be here—whether from near or far—and your presence means more to us than words can express.

We will be forever grateful.

With heartfelt thanks,

Sam, Jess, & Paige

IN LOVING

memory
