

Light Years

by Pearl Jam

And wherever you've gone
And wherever we might go
It don't seem fair
Today just disappeared
Your lights reflected now
Reflected from afar
We were but stones
Your light made us stars

Strange is our situation here on earth. Each of us comes for a short visit, not knowing why, yet sometimes seeming to a divine purpose. From the standpoint of daily life, however, there is one thing we do know: that we are here for the sake of others.
