

Stephen R. Dearwater Memorial Service

Pittsburgh, PA * October 24 ,2025

Dear friends of Steve,

As most of you aware, we lost Steve to Acute Myeloid Leukemia (AML) on the evening of July 12th. Steve elected to donate his body for scientific research for his disease; therefore, it could be as long as two years to receive his remains for a Catholic funeral service. Our family has decided to hold a memorial service for him this coming October for everyone that cared for him.

Here are the details for the service:

When: 10/24/25 at 10:00am

Location: **Saint Adalbert Church**
160 S. 15th Street (in the Southside)
Pittsburgh PA 15203

We will have a gathering for Steve after the service at one of the Southside bars that we used to frequent together, Fat Heads, in their Patio Room, which is under ½ mile from St. Adelbert. Please RSVP derekdearwater@gmail.com if you plan to join us at Fat Head's.

Fat Head's Saloon
1805 East Carson Street
Pittsburgh, PA 15203
