*Christopher "Isaac" Pipersburgh
2015 - 2022*

Christopher "Isaac" Pipersburgh was born to us, Marc and Esther Pipersburgh, on Monday, June 22, 2015. While we vacationed in Belize, Isaac passed away unexpectedly on Saturday, June 11, 2022.

Since Isaac was born, he was rarely out of our sight. As older parents, Isaac made sure we were constantly out of breath since he enjoyed running, jumping, bicycling, swimming, playing at the playground or going to waterparks. Every morning Isaac would crawl into bed with us delivering hugs and kisses. Then at breakfast time, we would read the daily text together. It was the sweetest part of our day.

Isaac loved learning about Jehovah, specifically His creation. He knew every planet in the solar system, including the dwarf planets. He enjoyed quizzing us and correcting us on our planet knowledge. He also knew the countries of the world with flags and knew nearly every State in the U.S. and their geographic location. He was the funniest, sweetest, most loving, fearless and adventure seeking child we had the honor to parent.

Dear family and friends, hold on tight to the hope of the resurrection. "He will call"... do everything possible to make sure you're ready to answer (Job 14:13-15).

Isaac will always be remembered by: Marc and Esther Pipersburgh (Parents), Chris and Yvonne Pipersburgh (Grandparents), Celia Lozano (Grandmother), Becky Pipersburgh (Aunt), Martin and Gracie Guillen (Uncle/Aunt), Lili Lozano (Aunt).
