Ruben was born in Trinidad in December of 1948. He was 1 of 10 children. Growing up, Ruben enjoyed playing cricket, football (soccer), going to the beach, playing billiards, card games and attending church. Shortly after he graduated Nursing School he started working as an RN at Port of Spain General Hospital. He then married Khaloutie on January 1st, 1979 and they had 2 children.

In 1993, he had an opportunity to further his career and took a job with Broward General Hospital. He then moved his family to Ft. Lauderdale, FL. Shortly after moving, the family found Lighthouse Church of God as their place of fellowship and growth. The members there became like family to us. In 2011, the family expanded with the addition of his son in law, Thomas. However the most anticipated and welcomed event was that of his granddaughter Alayna.

In addition to being a dedicated and loving husband, father and grandfather, Ruben also loved serving at his church, gardening and growing his own fruits and vegetables, going to the beach, playing with his grandchild and cooking.

Throughout his entire life, he held an unwavering faith in God, which he shared with those who surrounded him. All who knew Ruben can agree that he was a man of few words, reserved and quiet but when he did speak, there was something to say and often a funny joke to tell. He never complained, stayed level headed and kept his composure.

He will be greatly missed by his family, friends and his granddaughter who enjoyed so many backyard adventures with him.

*"My flesh and my heart faileth: but God is the strength of my heart,
and my portion forever." Psalm 73:26*
