

***CELEBRATION OF LIFE OF DENNIS FORREST
SEPTEMBER 13, 1957 – JUNE 2025***

We cordially invite you to attend a Celebration of the beautiful Life of our beloved friend Dennis Forrest. Please come and share your memories of Dennis as we say goodbye and cherish the time we had with him. While we all feel great sadness at his passing, he would have wanted us to celebrate his remarkable life and share how he touched each one of us.

Where: Pacific Rim Bistro, 303 Peachtree Street, his favorite watering hole where Dennis made many friends over many years.

When: Wednesday, July 8, 2025, 4:00 pm until.

Dress Code: Business casual

Fare: Light appetizers will be provided.

Dennis was the son of a highly respected home-builder in Charleston, South Carolina. He went on to obtain a Bachelor of Architecture Degree from his beloved Georgia Institute of Technology. Dennis would fondly refer to his 4 years there as attending the North Avenue Trade School. Upon graduation, Dennis spent many years overseeing development of building edifices that frame the Atlanta skyline, including the Georgia Pacific Building. In his latter years, Dennis frequently held court at Pacific Rim, opining upon Atlanta, architecture, sports, and of course politics. The only weakness we can ascribe to Dennis, is that he was a life-long Dallas Cowboys fan.

We hope to see you on July 8th at the Pacific Rim. Please RSVP to ANNA at 404-376-6037.
