# *Mysteries, Yes*

Truly, we live with mysteries too marvelous  
to be understood.

How grass can be nourishing in the  
mouths of the lambs.

How rivers and stones are forever  
in allegiance with gravity  
while we ourselves dream of rising.

How two hands touch and the bonds will  
never be broken.

How people come, from delight or the  
scars of damage,  
to the comfort of a poem.

Let me keep my distance, always, from those  
who think they have the answers.

Let me keep company always with those who say  
“Look!” and laugh in astonishment,  
and bow their heads.
