# Psalm 23

*The Lord is my shepherd; I shall not want. He makes me lie down in green pastures. He leads me beside still waters. He restores my soul. He leads me in paths of righteousness for His name's sake. Even though I walk through the valley of the shadow of death, I will fear no evil, for You are with me; Your rod and Your staff, they comfort me. You prepare a table before me in the presence of my enemies; You anoint my head with oil; my cup overflows. Surely goodness and mercy shall follow me all the days of my life, and I shall dwell in the house of the Lord forever.*

## Up On the Roof

*When this old world starts getting me down  
And people are just too much for me to face  
I climb way up to the top of the stairs  
And all my cares just drift right into space  
On the roof, it's peaceful as can be  
And there the world below can't bother me  
Let me tell you now*

*When I come home feeling tired and beat  
I go up where the air is fresh and sweet (up on the roof)  
I get away from the hustling crowd  
And all that rat-race noise down in the street (up on the roof)  
On the roof, the only place I know  
Where you just have to wish to make it so  
Let's go up on the roof (up on the roof)  
At night the stars put on a show for free  
And, darling, you can share it all with me  
I keep a-tellin' you  
Right smack dab in the middle of town  
I've found a paradise that's trouble proof (up on the roof)  
And if this world starts getting you down  
There's room enough for two up on the roof (up on the roof)*
